Tax deductibility

The Group is registered ABN 21 902 498 771 [GST Registered] and is endorsed as Public Benevolent Institution [PBI] & Deductible Gift Recipient [DGR] with donations over \$2 Tax Deductible. The Group also holds Charitable Collections Licence No. 20543.

As your donation is tax deductible, you can use the amount donated as a reduction in your taxable income upon which tax is calculated and paid. The more that you donate - the more that you help others - the bigger the deduction that you receive.

The donation is deductible in the financial year in which you make it - and the entry appearing on your receipt or credit card statement provides proof of the donation for the Taxation Office. Please check with your professional advisor on your particular circumstances.

Obtaining a receipt

Your donation is receipted in two ways:

- Firstly, upon completion of your donation via internet banking, you will be provided with confirmation including date / time / amount / transaction number - you should print this page as soon as it is displayed and retain for your taxation records.
- Secondly, when you receive your next credit card statement - an entry will appear showing the amount of your donation. Keep this statement as your record for taxation purposes. If you need a further copy at a later date - you will need to ask your credit card provider to give you another copy - they may ask you to pay for this additional copy.
