*Enriching the lives of people with disability, mental illness, families and carers.*

### **A Gift in Memory – A lasting tribute to your loved ones**

A Memorial Gift to Fairholme Disability Support Group Inc is a very meaningful and special way of making a lasting tribute for those whom you care about so dearly.

Each gift conveys not only love and respect for the bereaved family but also a desire to see the memory of a loved one live through the work undertaken by the Group here in Perth and throughout Western Australia.

The donation will be dedicated to expand critical assistance, which will help to enhance the quality of life for people with disability, families and carers by the:

- Provision of additional amenities in particular for those in supported accommodation;
- Provision of services including recreation, art and leisure;
- Safeguarding rights through strong advocacy and consultation; and
- Advancing knowledge and promoting equality by way of inclusion.
